

Frozen Brine Shrimp Plus Formula

General information

A delicious Frozen Formula Food containing adult Brine Shrimp (*Artemia*), supplemented with a nutritious blend of fresh seafood, like fish fillets, krill *pacifica*, mussels, ..., garlic and macro algae, resulting in an extremely attractive flavor for all marine tropical fish. Fish love the flavor of Brine Shrimp Plus so much that feeding time is a real feeding frenzy!

Contains softly binded soluble micronutrients such as vitamins, immunostimulants, carotenoids and attractive natural flavours.

Instructions for use: push out the required amount of cubes into a recipient. Let them defrost, without water, at room temperature during minimum 10 to 15 minutes before feeding. Your fish should be fed 2 to 5 times a day, only feed the amount that your fish will consume within 5 minutes.
