

Frozen Formula Two

General information

This new and improved super color enhancing natural Frozen Formula Food is an excellent gourmet diet, specially formulated to meet the nutritional needs of herbivorous/omnivorous marine tropicals (like f.e. angelfish, butterflyfish, chromis, Moorish idols, surgeonfish, etc.).

This premium blend contains a variety of fresh seafood, macro- and micro algae, garlic and softly binded soluble micronutrients such as vitamins, immunostimulants, carotenoids and attractive natural flavours.

Instructions for use: push out the required amount of cubes into a recipient. Let them defrost, without water, at room temperature during minimum 10 to 15 minutes before feeding. Your fish should be fed 2 to 5 times a day, only feed the amount that your fish will consume within 5 minutes.

Ingrediënts
