

Discus Flakes

General information

A delicious staple food specially formulated to stimulate coloration, health and growth of the “King” of the aquarium. The high level of protein and vitamins in this flake will stimulate balanced growth and breeding. The food reduces stress and promotes the production of mucus during larval nurturing. Contains garlic, spirulina, natural color enhancers and immune boosters.

Feed as much as your fish will eat in 2-3 minutes. Distribution 3-4 times per day.

Ingredients
